

GENERAL PRODUCTS

CATALOG 2025

Pipe Fittings • Coupling • Valves • Steel Pipes

Expert Power Building Materials Trading LLC is a leading supplier of industrial products and solutions in the UAE. With a comprehensive range of high-quality products spanning fire systems, fluid systems, HVAC systems, and gas systems, we are committed to meeting the diverse needs of our customers across various industries.

Our team of experienced professionals works tirelessly to source the best products from trusted manufacturers worldwide. From stainless steel and malleable iron pipe fittings to ductile iron grooved fittings and couplings, we offer a wide array of reliable components that ensure optimal performance and safety in your projects.

At Expert Power, we pride ourselves on our customer-centric approach and unwavering dedication to excellence. Our mission is to be your trusted partner in providing innovative solutions that drive your business forward. With our extensive expertise and commitment to quality, you can count on us to deliver the products and support you need to succeed in today's competitive market.

TABLE OF CONTENT

Fire System Products

Stainless Steel Pipe Fittings	04
Malleable Iron Pipe Fittings	06
Pipe Fittings & Mounting Accessories	12
Ductile Iron Grooved Fittings and Couplings	14
Fire Valves	16

Fluid System Solutions

Stainless Steel Pipe Fittings	20
Ductile Iron Grooved Fittings and Couplings (Plastic-lined)	22
Malleable Iron Pipe Fittings (Plastic-Coated)	23
Ductile Iron Grooved Fitting sand Couplings	24
Water & Fluid Valves	26
Steel Pipes & Pipe Compensator Hose	29
Pipe Fittings & Mounting Accessories	30

HVAC System Solutions

Stainless Steel Pipe Fittings	34
Malleable Iron Pipe Fittings	36
Ductile Iron Grooved Fittings and Couplings	40
Copper Valves (HVAC)	42
Steel Pipe, Balancing Valve & Coil Hose	45
Pipe Fittings & Mounting Accessories	46

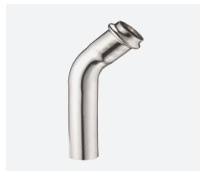

Gas System Products

Stainless Steel Pipe Fittings	50
Malleable Iron Gas Fittings	52
Copper Valve (Gas)	55
Gas Strainer, Steel Pipes & Gas Hose	57
Pipe Fittings & Mounting Accessories	58

Stainless Steel Press Fittings

Stainless Steel Press Fittings offer versatile, durable connection solutions for plumbing and industrial applications. These precision-engineered components ensure leak-proof seals while providing efficient installation across diverse piping configurations.

Stainless Steel Butt Welded Pipe Fittings

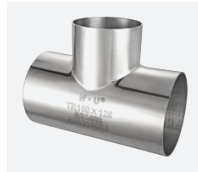

Stainless Steel Butt Welded Pipe Fittings provide seamless, high-strength connections for demanding industrial applications. These precision-manufactured components ensure structural integrity while withstanding extreme temperatures and pressures in various piping systems.

Stainless Steel Grooved Pipe Fittings

Stainless Steel Grooved Pipe Fittings deliver reliable, quick-connect solutions for commercial and industrial piping systems. These versatile components offer superior mechanical strength while enabling efficient installation and maintenance with excellent vibration resistance.

Expert Power Building Materials Trading LLC is your trusted partner for top-quality industrial solutions in the UAE. With our extensive range of products for fire, fluid, HVAC, and gas systems, we cater to the diverse needs of businesses across various industries.

Our commitment to excellence and customer satisfaction drives us to source the best components from renowned manufacturers worldwide. From stainless steel and malleable iron pipe fittings to ductile iron grooved fittings and couplings, our products are designed to deliver optimal performance, reliability, and safety. Partner with Expert Power to power your success.
